GrainCorp Shipping Stem 2024/25 Season

1. 2024/25 Season Shipping Stem

GrainCorp will open its Shipping Stem at **10:00am AEST** on the **3rd of July 2024** for the Shipping Period 1 October 2024 – 30 September 2025. Due to contracted capacity commitments at Exempt Port Terminals, Elevation Capacity at Exempt Port Terminals during this period will be limited. Elevation Capacity will be allocated in accordance with the terms and conditions of the applicable Port Protocols.

Elevation Capacity obtained through this process will be subject to signing and returning a GrainCorp Bulk Wheat and Bulk Non-Wheat Port Terminal Services Agreement for 2024/25 prior to submitting nomination applications. Please note that the vessel nomination booking fee for 2024/25 accepted nominations will increase to \$9.66 per metric tonne, all other port terminal fees will be as per the 2024/25 GrainCorp Bulk Wheat and Bulk Non-Wheat Port Terminal Services Agreement, which has been published on the GrainCorp website.

a. Mackay and Gladstone Shipping Stem - Nominations During 1 Oct - 31 Dec

In response to anticipated high demand for chickpea exports during October to December following the Indian Government's announcement of its temporary suspension of tariffs on this commodity until 31 March 2025, GrainCorp will only be accepting Chickpea nominations for Elevation Capacity at Mackay and Gladstone during the Shipping Period 1 October 2024 to 31 December 2024. This is to help facilitate shipments to meet restricted importing timeframes of major export markets. Nominations for Elevation Capacity for other commodities (including chickpea) at Mackay and Gladstone will remain available from 1 January 2025. Should this situation change, GrainCorp will notify exporters promptly.
